# OVER 25 YEARS A FAMILY RUN UK MANUFACTURER

Flamerite Fires was founded in 1999 in the historic city of Lichfield, carrying on a thirty-year family tradition of producing electric fires with outstanding design. Since then Flamerite Fires has led the way in changing the look and feel of what was a basic product, falling out of fashion, into a modern and stylish appliance, sought after by home-makers old and young for rooms of all kinds.

Over its 25 year history, Flamerite Fires has won numerous awards and gained a reputation for integrity, excellent customer service and support for the independent retail sector as well as for producing high quality, innovative electric fires and stoves.

Now, with half a century's expertise in manufacturing electric fires, we proudly welcome a third generation into the family business, who remain committed to building good working relationships whilst being mindful of the need to protect the environment and striving for continuous improvement in everything Flamerite does.
