Smart & Innovative WCs

In-Tank Meridian WCs

The unique In-Tank WC is a revolutionary bathroom fitting concept which incorporates the tank in its interior. It is the first WC to offer wall-hung and back-to-wall options which do not require a concealed cistern, facilitating ease of installation and creating an ideal solution for small spaces.

Water enters the tank and then air is introduced by a revolutionary blower which has been developed in collaboration with Fluidmaster.

This innovative blower pushes the water through the toilet rim to flush the WC. Works on mains pressure only.

Requires electrics.

	SofTurn®	SofTurn® cartridge technology gives the user precise control over water flow and temperature. The development of this technology has been possible as we are one of the few manufacturers who design, develop and manufacture our own cartridges.
	Joystick-Turn®	An innovative concept in water control, joystick technology presents a style which is distinct from the more traditional single lever, but which gives the same performance as SofTurn® technology.
	Cold Start	The flow always starts with cold water meaning water systems are only activated when hot water is required thereby saving energy.
	SafeTouch®	Development in materials has allowed Roca to develop SafeTouch® technology which prevents the chrome plating on thermostatic fittings from overheating. This eliminates the risk of scalding and is particularly beneficial in environments used by the young, the elderly and the less mobile.
	Security 38°	A safety device (red button) that stops the control knob being turned beyond 38°C.
	Quick Reaction®	Quick Reaction® technology ensures that Roca thermostatic fittings reach the required flow and temperature in less than 3 seconds. Both then remain constant, irrespective of variations in water pressure.
	Flow Rate	Flow rate of taps in litres
	Technology On-Off Switch	On-off buttons with Switch technology to select different water outlets with integrated flow regulation
	Flexible swivel	Flexible hose withstands the 360° rotation of the hand shower without breaking
	RocaBox	Universal solution for built-in installations
	Rainstorm	A surprising flow of water provides our body with the maximum confort and well-being
	Tonic	Gradual jets provide extreme comfort
	Pulse	Intense water jets provide the body with an invigorating feeling
	Retractable Spout	Retractable bathtub spout to be discreetly integrated under the shower faucet when not in use
	With Shelf	Integrated shelf that offers added comfort by providing space for bathroom toiletries
	Adjustable Height	Height-adjustable shower column to suit the needs and preferences of users
	Rotating Shower	Rotating shower head with adjustable position for greater comfort

2. COMMENCEMENT AND TERM

These Terms and Conditions shall come into force on the Commencement Date and shall continue unless terminated or updated in accordance with the terms. They supersede any previously issued terms and conditions issued by the Supplier.

3. ORDERS

3.1 Each Order by the Customer to the Supplier shall be an offer to purchase the Goods subject to the Contract including these conditions.

3.2 Orders shall be given in writing or via Electronic Data Interchange ("EDI"). The Supplier may accept or decline Orders at its absolute discretion. The Supplier may, at its discretion, accept an amendment to an Order by the Customer.

3.3 The Supplier shall assign an order number to each Order it accepts and notify the order number to the Customer. Each party shall use the relevant order number in all subsequent correspondence relating to the Order.

If any defects are identified during this inspection, the Customer (or his Agent) must notify the Supplier's representative immediately.

5. QUALITY AND FITNESS FOR PURPOSE

5.1 The Supplier warrants that, for the relevant time periods set at www.uk.roca.com/professionals/resources/product-guarantees, all Goods purchased after 1 September 2008 shall: conform in all material respects with their description; be free from material defects in design, material and workmanship; be of satisfactory quality (within the meaning of the Sale of Goods Act 1979); and be fit for any purpose held out by the Supplier.

5.2 As the Customer's sole and exclusive remedy, the Supplier shall, at its option, repair, replace, or offer a partial or full refund of the Price of any of the Goods that do not comply with clause 5.1, provided that: the Customer notifies the Supplier of the defect within 5 working days of discovery; the Customer stores all Goods alleged to be defective in a secure place and makes these Goods available to the Supplier for inspection at the Supplier's request; the Supplier

has confirmed the defect; and the Customer has demonstrated proof of purchase to the Supplier.

5.3 The Supplier shall not be liable for Goods' failure to comply with the warranties set out in Clause 5.1 if:

5.3.1 the Customer makes any further use of such Goods after giving notice of defects; the defect arises because the Customer failed to follow the Supplier's oral or written instructions as to the storage, commissioning, installation, use and maintenance of the Goods or (if there are none) good trade practice regarding the same; the Customer alters or repairs such Goods without the written consent of the Supplier; the defect arises as a result of fair wear and tear, wilful damage, negligence, or abnormal storage or working conditions; or the defect would reasonably have been apparent on initial inspection of the goods as per clause 4.6.

5.4 The Supplier's only liability to the Customer if the Goods fail to comply with the warranties set out in Clause 5.1 is as set out in this Clause 5 and, in any event, shall be limited to the cost of the order to which the claim relates.

5.5 The terms implied by sections 13 to 15 of the Sale of Goods Act 1979 are, to the fullest extent permitted by law, excluded from the Contract.

5.6 The terms of the Contract shall apply to any repaired or replacement Goods supplied by the Supplier.

6. TITLE AND RISK

6.1 Risk in Goods shall pass to the Customer on completion of delivery of the Goods at the Delivery Location.

6.2 Title to Goods shall only pass to the Customer once the Supplier receives all monies (in cash or in cleared funds) in respect of those goods.

6.3 Until title to the Goods has passed to the Customer, the Customer shall: store the Goods separately from all other goods held by the Customer so that they remain readily identifiable as the Supplier's property; not remove, deface or obscure any identifying mark, or packaging on or relating to the Goods; maintain the Goods in satisfactory condition and keep them insured against all risks for their full price from the date of delivery; notify the Supplier immediately if it becomes subject to any of the events listed in Clause 11.1 and give the Supplier such information relating to the Goods as the Supplier may require from time to time.

6.4 The Supplier may recover Goods in which title has not passed to the Customer. The Customer irrevocably licenses the Supplier, its officers, employees and agents, to enter any premises of the Customer (including with vehicles and other storage), in order to satisfy itself that the Customer is complying with the obligations in Clause 6.3, and to recover any Goods in which property has not passed to the Customer.

6.5 The Supplier may at any time after delivery elect to transfer title in the Goods to the Customer, in which case the Customer shall immediately pay the Price to the Supplier.

6.6 The Customer shall be entitled to resell the Goods in the ordinary course of its business. Where the Customer resells Goods which, in accordance with this Clause 6, remain the Supplier's property, ownership of these Goods shall pass to the Customer immediately prior to resale by the Customer. If the Customer becomes subject to an Insolvency Event, the Customer's right to re-sell or otherwise deal in the Goods shall automatically terminate and the Supplier shall be entitled to repossess any of the Goods in respect of which title has not passed as aforesaid.

7. PRODUCT RECALL

7.1 If the Customer is the subject of a request, court order or other directive of a governmental or regulatory authority to withdraw any Goods from the market (Recall Notice) it shall immediately notify the Supplier in writing enclosing a copy of the Recall Notice.

7.2 Unless required by law, the Customer may not undertake any recall or withdrawal without the written permission of the Supplier and only then in strict compliance with the Supplier's instructions as to the process of implementing the withdrawal.

8. PRICE AND PAYMENT

8.1 The Customer shall pay for Goods in accordance with this Clause 8.

8.2 The Price excludes amounts in respect of value added tax (VAT), which the Customer shall additionally be liable to pay to the Supplier at the prevailing rate (if applicable), subject to the receipt of a valid VAT invoice.

8.3 All orders received which would result in an invoice value of less than £500.00 (excl. VAT) will be charged carriage costs as incurred by the Supplier (or £500.00 + VAT, whichever is the greater).

8.4 The Supplier may invoice the Customer for the price of Goods plus VAT at the prevailing rate (if applicable) on or at any time after it confirms the relevant Order to the Customer. The Supplier shall ensure that the invoice includes the date of the Order, the invoice number, the Contract Number, the Customer's order number, the Supplier's VAT registration number, and any supporting documentation that the Customer may reasonably require.

8.5 Unless otherwise agreed in writing by a Director of the Supplier, the Customer shall pay invoices in full in cleared funds by the end of the month following the month of invoice. Payment shall be made to the bank account nominated in writing by the Supplier.

8.6 If the Customer fails to make any payment due to the Supplier under the Contract by the due date for payment, then, without limiting the Supplier's remedies under Clause 11:

8.6.1 the Customer shall pay interest on the overdue amount at the rate of 4% per annum above BARCLAYS BANK's base rate from time to time. Such interest shall accrue on a daily basis from the due date until actual payment of the overdue amount, whether before or after judgment. The Customer shall pay the interest together with the overdue amount.

8.6.2 the Supplier may suspend all further deliveries of Goods until payment has been made in full.

8.7 The Customer shall pay all amounts due under the contract in full without set-off, counterclaim, deduction or withholding (except for any deduction or withholding required by law). The Supplier may at any time, without limiting any of its other rights or remedies, set off any amount owing to it against any amount payable by the Supplier to the Customer.

9. RETURNS

9.1 No Goods once despatched by the Supplier shall be returned to the Supplier unless permission has been given by the Supplier in writing. In order to be eligible for return the Goods must be: in good order; of resalable condition; contained in the Supplier's current price list; and accompanied by their original invoice.

9.2 In order to be eligible for return, Goods must have been delivered by the Supplier, and within the previous six (6) months.

9.3 Any credit allowed by the Supplier for the returned Goods shall be subject to a handling charge of the greater of 25% of the net value of the Goods, or £50.00 plus VAT.

10. LIMITATION OF LIABILITY

10.1 Nothing in this Contract shall limit or exclude the Supplier's liability for: death or personal injury caused by its negligence, or the negligence of its employees, agents or subcontractors (as applicable); fraud or fraudulent misrepresentation; breach of the terms implied by section 12 of the Sale of Goods Act 1979;

defective products under the Consumer Protection Act 1987; or any matter in respect of which it would be unlawful for the Supplier to exclude or restrict liability.

10.2 Subject to Clause 10.1: the Supplier shall not be liable to the Customer, whether in contract, tort (including negligence), breach of statutory duty, or otherwise, for any loss of profit, or any indirect or consequential loss arising under or in connection with the Contract; and the Supplier's total liability to the Customer for all other losses arising under or in connection with the Contract, whether in contract, tort (including negligence), breach of statutory duty, or otherwise, shall be limited to the cost of the order to which the claim relates.

11. TERMINATION

11.1 Without limiting its other rights or remedies, either party may terminate the Contract with immediate effect by giving written notice to the other party if: the other party commits a material breach of any term of the Contract and (if such a breach is remediable) fails to remedy that breach within twenty-eight days of that party being notified in writing to do so; the other party takes any step or action in connection with its entering administration, provisional liquidation or any composition or arrangement with its creditors (other than in relation to a solvent restructuring), being wound up (whether voluntarily or by order of the court, unless for the purpose of a solvent restructuring), having a receiver appointed to any of its assets or ceasing to carry on business; the other party suspends, or threatens to suspend, or ceases or threatens to cease to carry on all or a substantial part of its business; or the other party's financial position deteriorates to such an extent that in the terminating party's opinion the other party's capability to adequately fulfil its obligations under the Contract has been placed in jeopardy.

11.2 Without limiting its other rights or remedies, the Supplier may terminate the Contract with immediate effect by giving written notice to the Customer if the Customer fails to pay any amount due under the Contract on the due date for payment and remains in default not less than 14 days after being notified in writing to make such payment.

11.3 Termination of the Contract shall not affect any of the parties' rights and remedies that have accrued as at termination, including the right to claim damages in respect of any breach of this Contract which existed at or before the date of termination.

11.4 Any provision of the Contract that expressly or by implication is intended to come into or continue in force on or after termination shall remain in full force and effect.

11.5 Without affecting any other right or remedy available to it the Supplier may terminate this agreement on giving not less than three months' notice to the Customer.

12. GENERAL

12.1 **Force majeure:** Neither party shall be in breach of this Contract nor liable for delay in performing, or failure to perform, any of its obligations under this Contract if such delay or failure result from a Force Majeure Event. If the period of delay or non-performance continues for four weeks, the party not affected may terminate this Contract by giving seven days' written notice to the affected party.

12.2 **Assignment and other dealings:** The Customer shall not assign, transfer, charge, subcontract, declare a trust over or deal in any other manner with any or all of its rights or obligations under the Contract without the prior written consent of the Supplier. The Supplier may at any time assign, transfer, charge, subcontract, declare a trust over or deal in any other manner with any or all of its rights under this agreement.

12.3 Confidentiality

12.3.1 Each party undertakes that it shall not at any time, and for a period of two years after termination of this agreement, disclose to any person any confidential information concerning the business, affairs, customers, clients or suppliers of the other party or of any member of the group to which the other party belongs, except as permitted by Clause 12.3.2. For the purposes of this clause, group means, in relation to a party, that party, any subsidiary or holding company from time to time of that party, and any subsidiary from time to time of a holding company of that party.

12.3.2 Each party may disclose the other party's confidential information: (a) to its employees, officers, representatives or advisers who need to know such information for the purposes of exercising the party's rights or carrying out its obligations under or in connection with this agreement. Each party shall ensure that its employees, officers, representatives or advisers to whom it discloses the other party's confidential information comply with this Clause 12.3; and (b) as may be required by law, a court of competent jurisdiction or any governmental or regulatory authority.

12.3.3 No party shall use any other party's confidential information for any purpose other than to exercise its rights and perform its obligations under or in connection with this Contract.

12.3.4 This contract does not constitute the entire agreement between the parties and the Customer will comply with its obligations under all relevant Roca Policies. For the avoidance of doubt this Contract sets out arrangements in relation to the Exclusive Goods.

12.4 **Notice:** Any notice required under the contract shall be in writing, and sent by recorded delivery addressed and posted to the address set out below.

12.5 **Variation:** No variation of these conditions shall be effective unless it is in writing and signed by the parties (or their authorised representatives).

12.6 **Waiver:** No failure or delay by a party to exercise any right or remedy provided under the Contract or by law shall constitute a waiver of that or any other right or remedy, nor shall it prevent or restrict the further exercise of that or any other right or remedy. No single or partial exercise of such right or remedy shall prevent or restrict the further exercise of that or any other right or remedy.

12.7 **Severance:** If any provision or part-provision of these conditions is or becomes invalid, illegal or unenforceable, it shall be deemed modified to the minimum extent necessary to make it valid, legal and enforceable. If such modification is not possible, the relevant provision or part-provision shall be deemed deleted. Any modification to or deletion of a provision or part-provision under this clause shall not affect the validity and enforceability of the rest of the Contract.

12.8 **Third party rights:** No one other than a party to this Contract and their permitted assignees shall have any right to enforce any of its terms.
