FINISHING TOUCHES

Complete the look of your bathroom furniture with one of our classic or contemporary taps. See the complete collection on pages 194 - 223.

DESIGN, CREATE, INSPIRE

All Tavistock products are designed at our offices in the beautiful spa city of Bath. From here we control every stage of the product life cycle.

We offer a one stop shop as our extensive range of product which includes furniture, sanitaryware, taps and showers. For those finishing touches we've got a great choice of mirrors, cabinets, toilet seats and bath panels. Perfect for an instant bathroom revamp.

Our highly experienced team of researchers, developers and technical experts are constantly monitoring new trends and rigorously testing advancements in technology.

Excellent design is of the utmost importance to us, so we design all of our products in-house to ensure our perspective remains fresh and innovative. We source outstanding

quality materials and craftsmanship so that every Tavistock product not only looks good but fulfils its purpose, time after time. With Tavistock, you can count on the highest levels of service and reliability.

With Tavistock, you can count on the highest levels of service and reliability. With extensive guarantees across our entire range, you can choose every Tavistock product with complete confidence.

REAL LIFE INSPIRATION

We are not only passionate about designing and making bathrooms, we also love to see how they come to life in real homes like yours. If you are looking for further inspiration why not head to our Instagram page to take a look at how some of our customers have transformed their bathrooms with our products.

BE PART OF IT

Once you have finished your bathroom you can also be a part of our community and upload a photo of your finished project with the **#tavistock**. You might get to feature in our brochure like some of our followers here:

DESIGN AHEAD OF ITS TIME

Bathrooms have evolved from being a merely a functional space and we are constantly monitoring new trends and rigorously test advancements in technology to ensure we produce bathrooms which stand the test of time. This diligence to innovation has meant we are able to offer many modernisations to our products including:

TOUCH FREE FLUSHING

Ensure maximum hygiene through eliminating the need to touch surfaces with our contactless flush options.

STEAM FREE MIRRORS

Free your bathroom of steamy mirrors through our heated demister technology which prevents the mirror from misting up.

LIGHT TEMPERATURE CHANGING TECHNOLOGY

Create the perfect bathroom environment by enabling you to adjust the warmth of your mirror illumination to suit both the task in hand and time of day. Kick-start your day with bright, invigorating daylight. Then choose a natural light to apply make-up and a warm light for sleepy late evening tasks.

MAKING THINGS SIMPLE

Push button on/off and flow controls for your easiest showering experience yet. All at the push of a button

EASI-CLEAN TECHNOLOGY

Rimless technology makes our WCs easy to clean and means that germs have nowhere to hide.

NEW PRODUCT & DESIGN TRENDS

INTRODUCING OUR NEW COLLECTION

Take a look through the latest in Tavistock design innovation, featuring new and updated products across all categories. We cover all the latest trends from black and brass metals, to classic furniture design. I've chosen my particular favourites from this launch, which are highlighted on the next page.

FURNITURE COLLECTION

ACUMEN

The Acumen Collection

Discover the latest in contemporary furniture design. Acumen offers style and substance, with clean lines, ample storage and a minimal cut-out handle, which allows for a smooth finish. Choose one of three on-trend finishes and complete with the handle trim of your choice.

ACUMEN FEATURES

Basin Units

Acumen offers a wide breadth of unit sizes and styles. Choose from compact 500mm to generous 800mm sizes, all available in freestanding or wall mounted designs to get your desired look.

Basins

Acumen's ceramic basin features a generous wash space, with soft curved edges with plenty of room for your bathroom essentials like soap and toothbrushes. Or, make a statement of your space by choosing one of our six stylish countertop basin & worktop pairings, to create your own unique unit.

Handle Profiles

Add the finishing touch to your Acumen unit by choosing one of three handle trim finishes. Available in classic chrome, dramatic black or luxurious brushed brass, you can customise your unit to your style and taste. These trims are also perfect for creating a completely coordinated look across your bathroom by choosing a matching tap, mirror & accessories. Simply choose your size and finish from page 19 when ordering.

MICRA EVO WC's see page 148-149 for details

ORBIT WC's see page 157 for details

LOFT WC's see page 153 for details

We have a host of WCs perfect to pair with your chosen Acumen furniture, here are some of our recommendations. Try Micra Evo with its contemporary styling, or the ergonomically styled Loft WC, alternatively opt for the beautifully sculpted Orbit WC. Each range has a host of close coupled, back to wall and even wall hung WC options, take a closer look for yourself...

CADENCE

The Cadence Collection

Sophistication made simple. A clean and refreshingly uncomplicated design, Cadence's angular form perfectly captures understated style. Choose from an extensive collection that includes six sizes in six finishes with a host of handle choices and in-drawer lighting & storage options.

CREATE YOUR BESPOKE CADENCE BATHROOM

Designed to offer you complete design flexibility, our Cadence collection is customisable, allowing you to create a configuration as unique as your home. Choose your unit size, select your choice of basin & pick from an array of contemporary finishes & coordinating handles. Follow the steps below to bring a singular touch to your bathroom scheme.

Scan here to view our
'Create your Cadence'
video

01

Select the size of your basin

Take stock of the size of your bathroom, considering floor space and unit placement. If space is tight, you might benefit from a smaller wall-hung option or even a compact cloakroom option. There are four wall mounted options in 500, 600, 800 and 1200mm widths. For a smaller cloakroom or ensuite solution we have a 400mm wide unit, which will fit perfectly.

02

Choosing your basin style

Define the look of your unit with either a ceramic or Isocast basin. Available in 400, 500, 600, or 800 widths, a ceramic basin offers a streamlined shape cast from a timeless, traditional material. An Isocast basin has a clean, precise, low profile design. Available in 500, 600, 800 sizes, as well as a statement-making 1200mm double basin. Why not create a hotel look by upgrading to one our countertop basin options?

03

Your finish options

Create an artful bathroom with a finish that sets the tone for rest, ritual and relaxation. Carefully considered, each of our six finish options adds a depth and interest that complements the simple styling of Cadence. Available in lustrous gloss or minimal matt finishes, our colour selection ranges from neutral gloss white or light grey, to deep and sophisticated oxford blue or storm grey. And for those seeking something more unique, look no further than our cool gloss spruce, or natural tundra wood.

04

Handle choices

Create a vanity as beautiful as it is functional with your choice from the extensive Cadence handle collection. Keep the whole look minimalist by using chrome or black drawer top handles or opt for a practical wide front-fixed pull option for a fresh take on the industrial look. A matt black handle option will add interest to create a highly personalised vanity. Undrilled drawer fronts allow you to position the handles where you wish, though we think a third of the drawer height down from the top looks good.

05

Useful storage box solutions

Further personalise your unit and declutter your space by adding Cadence solid wood storage boxes to your drawers. Incredibly useful, with five storage box styles including an L-shaped design with optional additional lids. Either choose one of the suggested configurations to fit your unit, or select your own mix to best suit your storage needs.

06

Add lighting for the perfect finishing touch

For the perfect finishing touch, light up your Cadence unit with an elegant lighting kit. The kit lights up the drawer to help you find what you need, or add one of our new Cadence mirrors. Easy to use and operated by simply touching the side of the unit, this sensor is discreetly hidden from sight. Why not add colour matched side panels to the Render cabinet to create a coordinated look with your Cadence furniture.

CADENCE

Years of experience and an understanding of exemplary design informs our furniture designs, and our Cadence collection is no exception.

Precise and restrained, this refined unit brings an understated silhouette to our furniture collection which is ideal for the modern home. Available in freestanding and wall hung variations, this versatile design lends a sophisticated edge to your bathroom space. Six size options give flexibility and choice, from a compact cloakroom unit to a statement double vanity. Available in six of-the-moment colours in gloss, matt, and textured finishes.

Finish Options

Swatch Service

Cadence is available in a variety of finishes, unsure which one to pick, why not scan the QR code and order a sample

CADENCE BASINS

Your choice of basin design will further enhance the styling of your Cadence unit. Whether you opt for a ceramic, Isocast or countertop basin, all are crafted from durable, timeless materials.

Perfectly proportioned and designed to sit beautifully in your basin unit, our ceramic basin options are available in 400, 500, 600 and 800 sizes. Expertly cast from ceramic, this polished material lends enduring style to your bathroom.

A clean and contemporary alternative to ceramic, our Isocast basins offer a sleek, streamlined surface and a generous wash space. Available in 500, 600, 800 and 1200 widths.

For a truly luxurious look, our countertop basin options offer something a little different. Made from durable ceramic, these basins allow you to create a stylish hotel look in your home. Choose from six basin styles and two worktop finishes. See more on pages 60-61.

Basin Options

Ceramic or Isocast Basins

Choose from classic ceramic or contemporary Isocast basins. See page 33

A Personal Touch

CADENCE HANDLES

Individual touches, allow you to create a layered bathroom scheme unique to your home.

Our extensive collection of handles and knobs gives you plenty of choice to complement your furniture unit. For a discreet integrated option, opt for a sleek draw-top handle. A refined matt black handle, modest round chrome, or brushed brass pull handles can add texture and interest to even the simplest of fascia. Clean and contemporary, each of our hardware options combine style with a satisfying grip.

CADENCE LIGHTING

Our strong focus on practical design means that we aim to create products that make daily life that little bit better.

Clever and innovative, each of our units come with the option of convenient in-drawer lighting.* Touch activated, these discreet lighting kits are ideal for illuminating dimly lit and darker corners of your unit, ensuring all your bathroom essentials are visible and easily within reach.

*excluding the cloakroom unit

There are a host of ways to configure your Cadence internal drawer storage. We have put together some suggested configurations below or choose your own set up.

CADENCE STORAGE

We think about the little things in life too. A place for everything and everything in its place. Cadence in-drawer storage keeps everything just where you can find it. Opt for one of the suggested configurations to fit your basin unit or refer to page 35 and specify your own set up.

COMPASS

The Compass Collection

If you're searching for a new direction, then look no further than this super stylish range. Compass has smooth curved edges and a luxuriously deep ceramic basin that's sure to impress, whilst the extra thick door and drawer fronts and robust construction show it is built to last.

COMPASS FEATURES

Basin Units

The Compass range features compact 450mm & 500mm units, which offer the perfect solution of basin and storage ideally suited in cloakrooms and smaller bathrooms. For those who want extra storage space, there's a choice of 600mm and 800mm units, available in either freestanding or wall mounted styles. There is also a very practical 600mm double drawer freestanding unit with plentiful storage.

Compass features a deep ceramic basin giving generous wash space. Fully extending drawer runners make it easy to access to all your bits & bobs. Why not create a hotel look in your home by upgrading to one of our countertop and worktop basin options. See pages 60-61 for more details

Soft Close Drawers & Doors

Compass doors are fitted with extra wide opening, soft close hinges offering easy access as well as giving controlled and quiet closure. The drawer units also feature soft close drawer runners.

Finish Options

Swatch Service

Compass is available in a variety of finishes, unsure which one to pick, why not scan the QR code and order a sample

COMPASS HANDLES

Compass units are supplied with chrome plated handles as standard but you can add individual touches allowing you to create a layered bathroom scheme unique to your home.

Our selection of handles give you ample choice to customise your furniture unit. A refined matt black, or brushed brass handle and our modest round chrome pull can add texture and interest to even the simplest of fascia. Clean and contemporary, each of our hardware options combine style with a satisfying grip.

Match 1200mm in Gloss Light Grey

MATCH

The Match Collection

If it's a sleek minimal solution for a small space you need, then look no further than Match. A basin unit cleverly paired with a back to wall unit, topped by an Isocast basin with integrated worktop for a seamless contemporary look.

Match 1000mm in Gloss White

Match 1200mm in Oxford Blue

Coordinate
Match Cabinets
 Complete the look of your Match furniture with a colour matched bathroom cabinet
 See pages 54 for full details

Match 1000mm in Viridian Green

MATCH FEATURES

Units

With both 1000 and 1200 runs to choose from, Match integrates both basin and WC unit into a single, stylish design. Available in 5 finishes with a choice of on-trend painted finishes including viridian green, oxford blue, gloss light grey, gloss clay & gloss white. Simple chrome detailing and discreet door handles blend together perfectly, making it ideal for any modern bathroom interior. Installation is very easy, with no cutting required to fit the basin. We recommend use of the Tavistock Vortex Cistern see page 184.

Isocast Basin with Integrated Worktop

The Match basins with integrated worktop area are extremely practical. They are manufactured using Isocast, a mineral substrate topped with a tough resilient gelcoat to give a glossy finish which is both durable and easy to clean. The look is seamless and modern. Available in both slim and standard depth configurations.

Offering a sleek, streamlined finish, the Nexus Isocast worktop basin features a generous wash space and is available in both left and right configurations for the perfect fit. Durable and easy to install.

Gloss white finish

Unique Styling

COUNTERTOP BASINS

A growing trend in highly stylish bathrooms, countertop basins give your bathroom a unique and modern feel. When placed on a worktop, these oval, square or rectangular basins provide a clean uncluttered finish. A distinctive and attractive alternative to conventional bathroom basins. Compatible with our Acumen, Compass and Cadence furniture ranges.

BESPOKE COUNTERTOP BASINS & WORKTOPS

Create a bespoke look for your modular or fitted furniture with our countertop basin & worktop options. First choose your desired basin, ranging from generous Brook to slim and stylish Fen. Then choose your worktop finish, available in classic Bianco Marble or minimal Arctic White. When choosing, please refer to our compatibility charts on the next page.

MARSTON

The Marston Collection

Our Marston range of furniture strikes the perfect balance between classic and contemporary design, available in three finishes with a selection of handles to make it your own.

MARSTON FEATURES

Basin Units

This classic yet contemporary furniture range is available in three finishes, paper white, matt spruce and matt dark grey and aims to give you the best of both styles. Featuring classic shaker style doors and a slightly stepped basin, combined with soft, curved corners to give a modern edge.

Available in three sizes including a handy cloakroom size unit, making it perfect for those small spaces. The range also includes co-ordinating mirrored cabinets and back to wall unit, making it easy for you to create a cohesive look.

Soft Close Doors

Marston doors are fitted with soft close mechanisms to give controlled and quiet closure.

Finish Options

Swatch Service

Marston is available in a variety of finishes, unsure which one to pick, why not scan the QR code and order a sample

A Personal Touch

MARSTON HANDLES

Our extensive collection of handles and knobs provide the perfect opportunity to add a little personality to your Marston furniture unit. Choose from classically styled Cecily, to modern and minimal Hana. They are also a great way to tie your whole bathroom together – consider the colour of your mirror or tap and coordinate accordingly, with handles and knobs available across chrome, black, brass & bronze finishes.

LANSDOWN

The Lansdown Collection

Bring back classic style with Lansdown. Traditional 5 piece doors, grooved side panels & a muted palette of finishes all contribute to the timeless feel.

Vitoria WCs
 This Lansdown cloakroom unit is paired with a Vitoria WC & Seat. See page 175

LANSDOWN FEATURES

Basin Units

The generous flat fronted ceramic basins complement the classic styling, while providing ample wash space regardless of size. Available in multiple sizes and styles, from a petite cloakroom unit to a stately 1200 curved or flat-fronted vanity, Lansdown is the perfect choice for bathrooms both small and spacious. The Lansdown range features traditional cabinetry techniques, using 5 piece door construction with tongue and groove side panels. All units feature soft close doors and drawers

Coordinating Units, Bath Panels & Toilet Seats

Back to wall and storage units, a mirror and bath panels complete this beautifully understated range. Soft close wooden toilet seats are also available in coordinating finishes.

FEATURES

- Isocore is a revolutionary 100% waterproof material which will not degrade with exposure to moisture. Available in Sherwood Green only
- All Isocore bath panels benefit from a lifetime guarantee providing total confidence
- Isocore is a lightweight material which is 30% lighter than MDF
- Isocore bath panels are easy to cut without the need to re-seal, and do not need to be fully sealed during installation

A white ceramic toilet with a dark grey seat and lid, mounted on a chrome flush valve. The toilet tank is white and has a chrome flush handle on the right side.

A dark grey vanity unit with a white ceramic sink. The vanity has a single cabinet door with a silver handle and a silver faucet. A toothbrush holder is mounted on the wall above the sink.

A large rectangular mirror with a dark grey frame, mounted on the wall above the vanity. The mirror reflects the room and the window.

A brass wall sconce with a conical shade, mounted on the wall above the mirror.

A brass wall sconce with a conical shade, mounted on the wall above the mirror.

VITORIA

The Vitoria Collection

Bring a touch of classic design to your bathroom with Vitoria. The elegant, timeless styling is the perfect bathroom solution for a period home.

VITORIA FEATURES

Basin Units

The traditional lines of Vitoria basin units create the perfect look for a period bathroom. Choose the freestanding unit with 1 or 2 tap hole ceramic basin or, for a more traditional style, opt for the underslung basin unit. Vitoria basin units are available in the muted tones of linen white, matt dark grey, mineral blue or opt for a classic feel with pebble grey.

Complete the look with coordinating bath panels & toilet seats.

Cloakroom Unit

A 500mm wide slim depth basin unit is also available, ideal for the cloakroom. Team with a coordinating Vitoria W/C to complete the look.

CLOAKROOM COLLECTION

CLOAKROOMS

The Cloakroom Collection

When it's time for a change, small rooms require big thinking. We have designed these ranges to provide both compact wall mounted or freestanding units, in a choice of classic and contemporary designs. They maximise on space and deliver on style. Look out for special touches such as soft close doors and stylish handles.

FITTED FURNITURE COLLECTION

GUIDE TO CHOOSING FITTED FURNITURE

Tavistock fitted furniture has a wide variety of bespoke features. Follow the guide below for a quick overview and understanding of how to create your very own Tavistock fitted furniture bathroom. A more detailed planning guide can be found on pages 122-123.

01

UNDERSTAND YOUR SPACE

Make sure you get a feel for your bathroom layout before you start. Look at any wasted areas which could be maximised with the addition of storage units. It is advisable to install a WC unit in a similar position to the current WC to minimise installation costs. If you do want to change the layout of your bathroom, a good Tavistock bathroom retailer will be able to guide you through the planning process.

02

CHOOSE YOUR BATHROOM STYLE & FINISH

We have two stunning furniture styles to choose from, classic Legacy or sleek contemporary Calm. Legacy is available in 4 finishes, whilst Calm offers 5 options, see pages 96 - 121 for further details. All our Legacy units come with an oak internal carcass, while Calm furniture features a graphite internal finish (with the exception of gloss white finish which features a white carcass). All have been specifically chosen to complement the furniture style.

Contemporary Calm

Classic Legacy

03

MAKE YOUR UNITS BESPOKE

Choose from our wide range of handles & worktops to give your bathroom units a bespoke look and feel.

See pages 126 and 135 for all handle & worktop options.

04

COMPLETE YOUR BATHROOM

Complete the design of your new bathroom by choosing from our collection of stylish basins & WCs as well as coordinating brassware, elegant mirrors & useful cabinets.

See pages 138 - 327 for options.

05

CHOOSING THE RIGHT INSTALLER

As with any new bathroom furniture, it is advisable to use an experienced and qualified installer. Many Tavistock retailers will be able to offer a design and installation service or recommend a suitable fitter or tradesperson.

Head over to our website now to find your nearest supplier: tavistock-bathrooms.co.uk/stockists

LEGACY FITTED FURNITURE

The Legacy Collection

Whatever your bathroom space, big or small, Legacy offers the flexibility and versatility you need to create a unified, traditional look. Standard and slim depth unit options are available. Alongside floor units, a full height unit and wall cupboards there are also coordinating bath panels. Use filler panels to create a framed style and personalise with your choice of worktop, handles, basin, WC and taps.

LEGACY FITTED FURNITURE MADE EASY

Tavistock fitted furniture is designed to be used in many different bathroom configurations. To make things a little easier our design experts have selected common configurations of our Legacy fitted furniture in each finish, we've helpfully bundled it together with one code and price, so you can go ahead and order without the complexity of working out which additional items you might need. All you need to do is select the left or right hand basin option and finish listed below.

Please note: The code and price does not include handles p128, WC & seat p138 - 187 concealed cistern and flush button p185 - 187 & taps p194 - 223. This allows you the opportunity to tailor the configurations to suit your style. To order these items please see the relevant pages.

YOUR PLANNING, CHOOSING & ORDERING GUIDE

LEGACY - CLASSIC STYLING

CALM - CONTEMPORARY STYLING

01

FURNITURE STYLE & FINISH

The most important choice when determining the look of your bathroom is door style and finish. Choose from the classic shaker style of Legacy or the ultra-modern simplicity of Calm slab style doors. Legacy is available in 4 finishes, whilst Calm offers 5 options. All Legacy door styles come complete with oak carcasses. Calm door styles feature a graphite carcass (except for gloss white which has a white carcass).

02

COMBINATION & DEPTH OF UNITS

Consider the available space in your bathroom and choose from either standard depth (353mm) or space-saving slim depth (218mm) units. Establish how you use your space and plan your design accordingly; whether yours is a personal retreat or a room for all the family, you can combine sizes to suit your needs and maximise the space in your bathroom.

03

HANDLE OPTIONS

Add the perfect finishing touch to your chosen doors with one of our stylish handles. See page 124 for the full range of options.

04 WORKTOP OPTIONS

Select a worktop from either our solid surface or laminate options. Alternatively opt for an integrated basin and worktop for a seamless look, which works equally well with both contemporary and classic bathroom designs. Why not define the overall style of your fitted furniture further by upgrading to an aspirational countertop basin option that works with both our laminate and solid surface standard depth worktops to create a luxurious hotel look. See pages 124 - 129 for further details.

05 BASINS, WCs, CISTERNS, FRAMES & FLUSHING OPTIONS

Choose your preferred basin and WC to match the styling of your bathroom, in addition to a cistern and frame (if required). Complete the look by selecting from our range of flush plate options. See pages 185-187.

06 TAP COLLECTION

Choose from our collection of stylish basin mixers, whether sleek and ergonomic or traditionally styled. Complete the look with a coordinating bath filler. See pages 194 - 221 for options.

07 MIRRORS & CABINETS

Choose an illuminated bathroom mirror or, for some additional over basin storage, opt for a cabinet. See pages 282 - 318 for options.

08 PANELS, PLINTHS & BATH PANELS

Clad-on end panels are available for all finishes. They can also be used between units to achieve a framed effect, which works particularly well for the traditional Legacy range. Plinths are available to create a fully integrated floor mounted look.

Alternatively you can wall mount your furniture, should you wish to create a more contemporary styled bathroom.

Finally, choose your bath panel to keep everything coordinated. See pages 137.

HANDLES

Sleek, contemporary & modern classic designs

Choose the handle that best reflects your chosen bathroom style; whether it's curved and rounded or sleek and contemporary. See page 133 for full product details.

Bay Pill Countertop Basin*	White	490(l) x 360(w) x 130(h)mm	DCI2051	£150.00
Brook Rectangular Countertop Basin*	White	455(l) x 325(w) x 135(h)mm	DCI2053	£150.00

* These basins require an open waste please page 225 for waste options

COUNTERTOP BASINS & WORKTOPS

When placed on a worktop our oval, square or rectangular countertop basins provide a clean uncluttered finish. A distinctive and attractive alternative to conventional bathroom basins.

Why not define the overall style of your fitted furniture further by upgrading to an aspirational laminate, or solid surface standard depth worktop to create a luxurious hotel look. See pages 130 - 131 for more information.

SOLID SURFACE WORKTOPS

Natural stone-like finish

Our range of solid surface worktops combines a seamless style with the look and feel of real stone. The natural stone-like beauty of the solid surface finish makes them a perfect choice for your bathroom.

Solid surface worktops are completely solid and can be easily cut to whatever size or shape your bathroom demands, with no need to bond on finishing strips. Simply cut to the desired profile and sand the edges to a fine finish. Adhesive is also available for joining longer runs or corner installations.

CHARGING STATION

Add further functionality to your new Tavistock fitted furniture by adding our charging station. The subtle little unit can be installed into our floor cupboards or wall cabinets and includes both a two-pin charging socket and a USB port to keep all your electricals fully charged.

- For use within fitted furniture cupboards and wall cabinets
- Two-pin charging point with rocker switch
- USB charging socket
- Matt black finish
- Cover to hide sockets when not in use
- Screwless mounting
- Requires a mains connection (supplied with one metre flying lead)
- Not recommended for installations in semi-countertop units or drawers
- IP44

BASIN & WC COLLECTION

CHOOSING YOUR BASINS & WCs

Clean lines, sleek surfaces, forward looking design. That's what you get with our collection of basins and WCs. Whatever your personal style, you'll find something to inspire you - from standard basin, pedestal and WC formats in a range of styles and sizes, to back to wall WCs and semi-countertop basin options, suitable for use with bathroom furniture.

Orbit Standard Depth
Semi-Countertop Basin

Vitoria 605mm
Basin & Pedestal

WC OPTIONS

We have a variety of WC options available and are sure to have the perfect solution for your new bathroom. Close coupled WCs are a conventional style toilet where the cistern sits on top of the pan.

COMFORT OPTIONS

We offer a range of comfort height solutions too. Sitting several centimetres taller than standard WCs they are perfect for taller, less able or elderly users. Our Aerial range also features an extra wide seat, offering total comfort for the user.

BACK TO WALL WCs

For a space saving, minimal, contemporary look choose a back to wall WC, where the cistern is concealed either in a furniture unit or behind a wall.

WALL HUNG WCs

For a clean, clutter-free look opt for a wall hung WC which being lifted off the floor gives the illusion of more space in a smaller bathroom. If considering a wall hung WC you will also need to purchase a suitable WC frame to support it.

TRADITIONAL WCs

If you want to achieve a traditional look go for our timeless Lansdown range or our Vitoria range which also includes high and low level WCs, see pages 170 - 175.

BASIN OPTIONS

Our basins come in a range of sizes of both contemporary and classic styles to suit your needs. We have basins suitable for use with or without a pedestal. Our collection also includes semi-countertop basins perfect for fitted furniture and cloakroom options.

Aerial Open Back
Close Coupled WC

Micra Evo Back to Wall WC

Choose Comfort

THE TALLER OPTION

Comfort height close coupled WCs sit several centimetres taller than standard WCs, ideal for taller, less able or elderly users. The extra height of the pan helps keep knees at a more comfortable angle in use as well.

THE PERFECT FLUSH

Add the perfect finishing touch to your back to wall or wall hung WC with one of our sleek flushing options. We have a wide variety of choice, from a simple yet elegant brushed brass push button to a more hi-tech contactless sensor. For those looking for a classic feel we also offer a traditional styled chrome flush plate.

PEACE OF MIND

All our products are guaranteed against defective workmanship or materials.

Such is our confidence in the quality of our basins and WCs we offer a 20 year guarantee, excluding cistern fittings which have a 5 year guarantee.

For wall hung WC frames the metal frame has a 10 year guarantee, all other components are covered by a 5 year guarantee.

Our toilet seats also benefit from a 5 year guarantee, with the exception of the Vitoria solid oak seat which comes with a 2 year guarantee.

HYGIENIC SOLUTIONS

At Tavistock we have developed a range of solutions that minimise hand contact and ensure maximum hygiene.

If you thought this innovation level could not be applied to your home, be prepared to open your bathroom to a new approach to safety and hygiene. Innovative and practical devices that protect us from the transmission of viruses and bacteria.

CONCEALED CISTERN CONTACTLESS DUAL FLUSH SENSOR KIT

Eliminate the need to touch surfaces and reduce water consumption with our easy-to-install, battery-operated flush sensor, which is designed to replace a conventional flush button.

A choice of discreet decals are included to indicate the sensor button if required.

A quick wave of the hand in front of the sensor activates the reduced flush, whilst holding your hand slightly longer triggers a full flush.

Contactless dual flush sensor kit - TR9014

Contactless dual flush sensor plate - TR9025

CONTACTLESS DUAL FLUSH SENSOR PLATE

Place your hand in front of the black glass-fronted flush plate to activate either a reduced or slightly longer full flush, and the plate lights up to indicate activation. Ideal for in-wall installations.

CLOSE COUPLED SENSOR FLUSH KIT

With a simple wave of the hand, hygienic, contactless flushing is now here for close coupled WCs. Two sizes are available depending on the size of the flush button hole in the cistern lid.

The button kits have been designed to retro-fit to existing WCs which have paddle operated flush valves. For cisterns which have pneumatic or cable operated flush valves, or where the button screws in directly to the flush valve, then the flush valve will also need to be swapped to our TR9033 valve which has a 2" base.

Smart Design

MAKE LIFE A LITTLE EASIER

Our WCs are designed with convenience in mind. Rimless technology makes our WCs easy to clean and means that germs have nowhere to hide as water is projected around the bowl, ensuring it is completely clean.

ANTI-BACTERIAL PROTECTION

An environmentally friendly built-in additive provides a hygienic finish to our Aerial toilet seat which also protects against bacteria, fungi and microbes.

QUICK RELEASE HINGES

Easy to operate quick release hinges are featured on some toilet seats, allowing the seat to be lifted away easily, leaving clear access to clean hard to reach surfaces. Available as standard with all our WC ranges.

MICRA EVO

The Micra Evo Collection

Discover simplicity with our Micra Evo collection. A new take on one of our most popular designs, this range boasts both practicality and style with rimless WCs, quick release seats and generous basins, all in an effortlessly contemporary design.

MICRA EVO FEATURES

Semi-Countertop Basin

These simple yet stylish semi-countertop basins are the perfect accompaniment to our fitted furniture. Available in both standard or slim depth to match your fitted furniture, without compromising on the generous wash space.

WC Styles

Our Micra Evo collection offers four WC styles to choose from. Offering open back or fully concealed options in a classic close coupled design. There are also back to wall or wall hung options perfect for creating a more minimal look. All are available in comfort height; ideal for taller, less able or elderly users.

Rimless Design

The softly geometric design style of Micra Evo makes it easy to style in any bathroom. Plus, all Micra Evo WCs feature Easi-clean rimless technology which makes them exceptionally hygienic and easy to clean.

Soft Close WC Seats

Enjoy the premium feel of our soft close seats, with your choice of slim or wrap over design styles. Both feature quick release buttons for easier removal and cleaning.

Secure-Fix

Adjustable hinge technology that keeps the seat firmly in place. Whilst also making installation simple and easy with the aid of a fitting template.

EASI-CLEAN

Blow the lid on germs with our rimless WC technology. The rimless design makes it exceptionally hygienic and easy to clean, a simple wipe of the rim means there is nowhere germs can hide. Water is projected around the bowl to ensure it is completely clean.

CONTACTLESS WCS

All Micra Evo close coupled WCs are available with a contactless flush

LOFT

The Loft Collection

Loft brings back the tried and tested classic toilet seat shape in a new modern style for the 21st century. Featuring modern Air Gap technology in cisterns, rimless bowls, quick release seats and soft yet stylish basins, Loft really is a timeless design.

CONTACTLESS WCs
All Loft close coupled WCs are available with a contactless flush

LOFT FEATURES

Semi-Countertop Basin

The softly geometric semi-countertop basins combine slim ceramic sides with generous wash space. They look great when used with Tavistock fitted furniture and can be used in 500mm wide units.

Comfort Design

Ideal for those who stand a little taller or have mobility issues, all Loft Comfort Height WCs sit several centimetres higher than standard toilets, meaning less strain on the knees and back.

WCs & Rimless Design

The smooth-sided design of Loft's WCs work with any modern bathroom and makes them easy to keep dust-free. Also available in back to wall and wall hung versions, they all feature Easi-clean rimless technology which makes them exceptionally hygienic and easy to clean on the inside as well.

Soft Close WC Seats

The Loft range comes with a choice of soft close toilet seats. Choose from a two button quick release thermoset seat or a Premium lift off wrap over version. Both versions are top fix for easy installation.

ORBIT

The Orbit Collection

The contemporary smooth, rounded styling of Orbit is bound to pull you in. A hygienic rimless WC design with Easi-clean rimless technology adds to its stellar appeal.

CONTACTLESS WCs
All Orbit close coupled WCs are available with a contactless flush

ORBIT FEATURES

Wash Basins

The extra thin edged basin design with 1 tap hole for monobloc mixers offers a generous wash space. It can be used with a coordinating pedestal or, for a more contemporary look, wall hung with a simple chrome bottle trap.

WCs

The Orbit close coupled WC is sure to become a design classic with rounded contemporary styling. Also available in back to wall or wall hung versions, they all feature Easi-clean rimless technology which makes it exceptionally hygienic and easy to clean. The short projection designs make Orbit a great choice where space is tight.

Soft Close WC Seats

Orbit WCs have a low profile high quality thermoset wrap over seat fitted with a soft close mechanism with quick release hinges for easy removal and cleaning.

Secure-Fix **QR**

Adjustable hinge technology that keeps the seat firmly in place. Whilst also making installation simple and easy with the aid of a fitting template.

AERIAL

The Aerial Collection

An uncomplicated and ergonomic style, Aerial has been designed to make life a little more comfortable. All Aerial WCs are both taller and wider for optimum comfort, and features an anti bacterial toilet seat. The rimless design ensures they are also easy to clean.

CONTACTLESS WCs
All Aerial close coupled WCs are available with a contactless flush

AERIAL FEATURES

Semi-Countertop Basin

The softly geometric semi-countertop basins combine slim ceramic sides with generous wash space. They look great when used with either standard or slim depth Tavistock fitted furniture & feature a single tap hole.

Comfort Design

Ideal for those who stand a little taller or have mobility issues, all Aerial Comfort Height WCs sit several centimetres higher than standard toilets, meaning less strain on the knees and back. Designed for optimum comfort all Aerial WCs also feature a wider seat.

WCs & Rimless Design

The smooth-sided design of Aerial's WCs work with any modern bathroom and makes them easy to keep dust-free. Also available in back to wall or wall hung versions, they all feature Easi-clean rimless technology which makes them exceptionally hygienic and easy to clean on the inside as well.

STRUCTURE

The Structure Collection

Looking for a contemporary design? Structure is simple, sleek and beautifully sculpted. With its flowing lines and thin edges, this range will be the making of today's modern bathroom.

CONTACTLESS WCs
All Structure close coupled WCs are available with a contactless flush

STRUCTURE FEATURES

Basins

The Structure slim 550mm basin has a stunning thin edged design. There are also semi-countertop options for use with furniture.

WCs

There are many WC options within the Structure range including open back & fully enclosed close coupled WCs and 3 comfort height models - something for any bathroom.

Soft Close WC Seats

Structure seats are manufactured from high quality thermoset plastic with soft close, quick release hinges for easy removal and cleaning.

Cisterns

The close coupled cistern has a water saving 4.5L full flush and 3L reduced flush and feature Air-Gap technology. Compatible concealed cisterns and frames for back to wall and wall hung WC can be found on pages 182-184..

Adjustable hinge technology that keeps the seat firmly in place. Whilst also making installation simple and easy with the aid of a fitting template.

LANSDOWN

The Lansdown Collection

Elegantly timeless design means Lansdown sanitaryware can work equally well with both classic or more contemporary bathroom plans, and perfectly complements Lansdown furniture.

CONTACTLESS WCs
All Lansdown close coupled WCs are available with a contactless flush

LANSDOWN FEATURES

Basins

Lansdown semi-countertop basins offer a classic styling choice for your furniture, available with one or two tap holes to suit your preference of contemporary or classic design. Supplied with grate and conventional overflow trims.

Short projection, rimless WCs

Designed for UK bathrooms, Lansdown WC options have a space-saving, short projection design. The timeless styling will work well with both classic or more contemporary bathrooms. Easi-Clean rimless technology makes them exceptionally hygienic and easy to clean, whilst close coupled WCs feature Air Gap technology.

Soft Close WC seat

The Lansdown thermoset WC seat has soft close hinges with a quick release button for ease of cleaning.

Secure-Fix **QR**

Blow the lid on germs with our rimless WC technology. The rimless design makes it exceptionally hygienic and easy to clean, a simple wipe of the rim means there is nowhere germs can hide. Water is projected around the bowl to ensure it is completely clean.

VITORIA

The Vitoria Collection

Introducing the elegant and timeless styling of Vitoria sanitaryware.
The perfect bathroom solution for a period home.

VITORIA FEATURES

Wash Basins

Vitoria basins are available in both round and square configurations, with one tap hole or 2 tap holes to suit the style of your bathroom, both with chrome overflow cover and coordinating pedestal. A 2 tap hole cloakroom basin is also available. All 2 tap hole basins have provision for a chain stay waste.

WCs

You have the option of high level, low level, close coupled or back to wall WCs. High and low level WCs feature chrome plated brass downpipes. Low level and close coupled WCs have full flush and reduced flush operation (6/4L) with a ceramic cistern handle. The high level WC has ornate brackets and a 6L flush.

Soft Close WC Seat

Wooden soft close seats incorporate a chrome plated bar hinge featuring top and underfix options with adjustable fitting. The natural oak seat is solid oak. Alternatively choose painted gloss white or a finish to coordinate with your Vitoria or Lansdown furniture.

Painted Classic Toilet Seats 375(w) x 428(d)mm

Choose Comfort

THE TALLER OPTION

The Comfort Height Collection

Comfort height close coupled WCs sit several centimetres taller than standard WCs, ideal for taller, less able or elderly users. The extra height of the pan helps keep knees at a more comfortable angle in use as well.

1.17m Wall Hung WC Frame
500(w) x 1168(h) x 140-200(d)mm
Frame - TR9006 **£338.00**

- 6/3 litres
- Use for in-wall applications
- Includes fittings
- 200mm height adjustment
- Air Gap inlet valve
- Requires flush plate/button or contactless sensor (available separately)

1.0m Wall Hung WC Frame
500(w) x 1000(h) x 167-215(d)mm
Frame - TR9015 **£338.00**

- 6/3 litres
- Use for boxed in applications
- 200mm height adjustment
- Air Gap inlet valve
- Requires flush plate/button or contactless sensor (available separately)

0.82m Wall Hung WC Frame
500(w) x 820(h) x 167-215(d)mm
Frame - TR9005 **£338.00**

- 6/3 litres
- Use with 600mm & wider furniture WC units
- 200mm height adjustment
- Air Gap inlet valve
- Requires furniture adaptor, flush plate/button or contactless sensor (available separately)

0.4m Wall Hung Half Height Frame
400(w) x 400(h) x 170-335(d)mm
Frame - TR9018 **£156.50**

- Suitable for use in narrow back to wall units including 500mm wide
- For use with Vortex, Apex or Comfort height cisterns
- Can also be used for bidets
- 200mm height adjustment
- Use with the comfort height cistern to allow wall hung pans to be set at a higher position

Furniture Adaptor Kit - TR9007 **£57.70**

CLOSE COUPLED SENSOR FLUSH KITS

With a simple wave of the hand, hygienic, contactless flushing is now here for close coupled WCs. Two sizes are available depending on the size of the flush button hole in the cistern lid.

The button kits have been designed to retro-fit to existing WCs which have paddle operated flush valves. For cisterns which have pneumatic or cable operated flush valves, or where the button screws in directly to the flush valve, then the flush valve will also need to be swapped to our TR9033 valve which has a 2" base.

The following Tavistock cisterns require flush button kit TR9031.

- Structure
- Orbit
- Lansdown

The following Tavistock cisterns require flush button kit TR9032.

- Micra Evo
- Aerial

Alternatively, you can purchase your new close coupled WC cistern with the sensor flush kit included.

ø38mm close coupled

SENSOR FLUSH PLATE

CONTACTLESS DUAL FLUSH SENSOR PLATE

- Provides a touchless flush, with just the wave of a hand
- Best used with concealed cisterns in furniture
- Powered by 4 x AA batteries
- Low battery power alarm, battery life in excess of 1 year (normal domestic conditions, good quality batteries)
- Dual flush
- Discreet decal included to indicate sensor location
- Works through surfaces up to 25mm thick (including ceramic tiles, fascias & worktops)

Contactless Dual Flush Sensor

Black
210(w) x 137(h)mm

Sensor - TR9014 £166.00

TAKE A LOOK...
See how the contactless dual flush sensor works

CONTACTLESS SENSOR DUAL FLUSH PLATE

- Recommended for in-wall installations using TR9006 & TR9015
- Contactless flushing
- Powered by 4 x AA batteries (easy to change, no tools required)
- Low battery power alarm (battery life in excess of 1 year)
- Dual flush
- Manual override flush
- Illuminates on operation
- Use on wall hung frames and In-wall cistern (not compatible with slim depth furniture)

Contactless Sensor Flush Plate

Black
210(w) x 137(h)mm

Flush Plate - TR9025 £185.50

TOUCH OPERATED SENSOR DUAL FLUSH PLATE

- Recommended for furniture or lower height installations
- Touch operated to prevent inadvertent use
- Powered by 4 x AA batteries (easy to change, no tools required)
- Low battery power alarm (battery life in excess of 1 year)
- Dual flush
- Manual override flush
- Illuminates on operation
- Use on wall hung frames and In-wall cistern (not compatible with slim depth furniture)

TAP COLLECTION

CHOOSING THE RIGHT TAP FOR YOU...

Taps are no longer just a minor detail, they're the finishing touch. The right tap choice must combine the two key ingredients of design and functionality, and with this in mind we have designed a collection of taps which delivers both. There is something to suit all bathroom styles, from sleekly contemporary to charmingly traditional.

We have a variety of taps and styles depending on your bathroom requirements.

BASIN MIXERS & MINI MIXERS

Both contemporary and classic styles are available, with ceramic cartridge technology to give smooth, easy to use action and accurate flow control. For smaller basins or cloakroom furniture opt for a mini mixer to keep things in proportion. For an ultra-contemporary look, go for one of our stylish matt black or brushed brass basin mixers.

BASIN TAPS

Our classically styled tap ranges also offer basin taps, for separate control of hot and cold water.

BATH FILLER, BATH SHOWER MIXER

Fill your bath with a deck-mounted bath filler in a contemporary or classic design and mix hot and cold water from a single spout. Alternatively upgrade to a bath shower mixer. The shower handset is really useful for washing hair or cleaning the bath.

CERAMIC DISC TECHNOLOGY

All of our taps are built to the highest technical specification, including the internal components. With a smooth and easy to use action, the ceramic discs in our basin mixers and bath fillers mean that a simple lift of the handle for basin mixers and a quarter turn for bath fillers takes the tap from completely off to fully on. So practical, and incredibly durable even after years of use.

Design Detail

TAP OPERATING PRESSURE

Plumbing systems can sometimes suffer from poor flow rates. The UK is unique in that many homes are still using the more traditional, low pressure gravity fed plumbing systems commonly found in older properties.

Some manufacturers tend to design taps suitable for modern plumbing systems which can often cause disappointing flow rate when using the taps in UK homes. Tavistock's in-house design team have

recognised this problem and engineered our taps for use with both high and low pressure systems. Most of our taps operate at 0.1 bar or above.

If you are unsure, we recommend you seek advice from your plumber who will advise you on the plumbing system you have and the likely water pressures it can achieve. If pressures are too low even for our low pressure taps, you will be able to increase your water pressure using a

suitable water pump, your retailer or plumber can advise you on this. Please note that all of our taps are also suitable for high pressure plumbing systems.

PEACE OF MIND

All our products are guaranteed against defective workmanship or materials.

Our taps are manufactured in a closely controlled environment with extensive quality control tests carried out. It is this attention to detail that allows us to offer a 10 year guarantee (including cartridge) with all of our taps.

STYLE GUIDE

Discover our collection of bathroom taps with designs which cover all styles, from modern basin mixer to traditional basin taps to suit a classic bathroom.

WASTES & TRAPS

Our tap ranges are perfectly complemented by our stylish bottle traps and collection of wastes.

Most of our taps are supplied with a click waste. Varsity basin mixer has a pop-up waste which includes a waste outlet, pop-up rod and lifting mechanism. For taps supplied without a waste, we have a few waste options as shown below. Unslotted wastes are for use where there is no integral overflow in the washbasin. If your basin is wall hung choose our modern black or chrome traps, or the more traditional styled version to complement your taps perfectly.

All bath taps are supplied without wastes as it is usual to purchase your waste with your bath. We have a choice of bath wastes with overflow in 2 different lengths depending upon your installation requirements.

SHOWER COLLECTION

TAVISTOCK SHOWER SYSTEMS

Our shower collection simplifies the buying process for you by offering complete shower systems for a ready-to-install solution. They cover a wide range of styles from classic to contemporary and round to square design. We have a choice of valve options, depending on your bathroom styling and the number of showering functions you need.

Choose from our collection of concealed, exposed or bar shower valves. We have a variety of single function (operating a single shower component only, such as a shower handset) or dual function valves (operating two shower components, such as a shower handset and an overhead shower head).

CONCEALED VALVES

If you prefer a sleek, clean look then opt for a concealed shower valve, with the valve hidden in the wall and a cover plate. This has the added benefit of flexible plumbing enabling you to position the valve away from the shower flow, so you can turn the shower on without getting wet until you want to. Classic and contemporary styles are available.

PUSH BUTTON VALVE

Our ergonomic valve design provides instant on/off activation for a seamless showering experience. This innovative design allows you to easily control water flow and three luxurious spray settings, all at the touch of a button with a central temperature dial for convenience. All of our push button shower valves are easy to install and can be completely removed to be serviced, without damage to the wall or the need to re-tile.

EXPOSED VALVES

An exposed shower valve offers a simple installation solution as the valve showcases all working parts. Perfect for a traditional period style bathroom, making it just the right finishing touch.

BAR VALVES

Our contemporary bar valves are easy to install, with all of the components mounted on the wall. Some of our bar valve shower system options are also available with a useful integrated shelf, a handy spot for your shower gel and shampoo. Look out for the 'Cool Touch' options, designed to stay cool to the touch during use.

SAFE SHOWERING

Our shower systems feature anti-scald thermostatic control, which ensures that your preferred water temperature is maintained without risk of unexpected temperature changes due to water usage elsewhere in the household.

Tavistock shower systems also benefit from automatic shutdown should the cold water pressure suddenly fail, guaranteeing you a safe showering experience.

THERMOSTATIC TECHNOLOGY

All of our shower valves are built to the highest technical specification, Our shower valves have been designed to ensure smooth, precise temperature control of the water flow from your shower system.

PEACE OF MIND

All our products are guaranteed against defective workmanship or materials. Such is our confidence in the quality of our shower systems that we offer a 10 year guarantee, which includes the thermostatic cartridge. How's that for assurance?

CONTEMPORARY SHOWER SYSTEMS

Exemplary design, clean lines and utilitarian elegance form the basis of our contemporary shower collections. Each element is engineered with the highest quality components for uncompromising performance and durability. With many styles and showering configurations available, our comprehensive range gives you maximum choice and flexibility.

*10
Year Guarantee*
on all Tavistock
shower systems, includes
thermostatic cartridge

Make a Statement

AXIOM PUSH BUTTON SHOWERS

Our most intuitive system yet, Axiom combines a sleek, concealed design with ergonomic push-button control that provides instant on-off activation. A central dial provides precise temperature control, while the thermostatic valve prevents scalding to ensure a safe shower for the whole family. Available in black & chrome.

All Axiom shower systems benefit from the following features:

- Available in single, dual and triple function options to best suit your requirements
- Push-button control for convenient on/off activation
- Axiom valve can be mounted vertically or horizontally and can be easily removed and serviced even after tiling, allowing for ease of installation and maintenance
- 10 year guarantee, includes thermostatic cartridge

The Axiom handset has 3 different functions (massage, rain & rain massage) and can easily be changed by pressing the bottom of the shower head

BUILD YOUR OWN SHOWER

Starting with the valve below and then browsing pages 272-273 select different shower components to build a shower that is bespoke to you.

Axiom Single Function Push Button Shower Valve

MIRROR & CABINET COLLECTION

CHOOSING THE RIGHT MIRROR

Choosing an illuminated mirror will help enlarge even the smallest of spaces, reflecting light around the room and brightening your day. A host of useful features such as **Bluetooth**® wireless technology, heated demister pads and integrated recharging sockets will make you wonder how you ever managed without one.

LIGHT TEMPERATURE CHANGING TECHNOLOGY

This lets you create the perfect bathroom environment by enabling you to adjust the warmth of your mirror illumination to suit both the task in hand and time of day. Kick-start your day with bright, invigorating daylight. Then choose a natural light to apply make-up and a warm light for sleepy late evening tasks.

Light temperature ranges from 2700K (Warm White) to 6000K (Daylight White). You can also adjust the intensity of the light to be as bright or as dim as you wish.

BRING MUSIC TO YOUR BATHROOM

Catch up with the morning news during your shower or listen to your favourite playlists with **Bluetooth**® wireless technology. Easily pair your device to one of our innovative music mirrors featuring quality integrated speakers.

FOR YOUR CONVENIENCE

A convenient integrated recharging socket, suitable for electric shavers and toothbrushes is included with our Cadence mirror.

STEAM FREE

Many of our mirrors feature a heated demister pad to keep your mirror steam-free. You'll really appreciate never having to wipe it down again!

The heated demister pad heats the mirror to a few degrees above room temperature within 2-3 minutes, preventing the mirror from misting in even the steamiest of bathrooms.

TOUCH FREE OPERATION

Many of our mirrors have an infrared on/off switch which lets you activate the lighting without even touching your mirror. Simply move your hand in front of the sensor to activate.

Important: When mounting mirrors with infrared switches, the sensor must be at least 150mm from an adjacent wall or obstruction to ensure the switch can function properly.

SOMETHING TO SUIT ALL BATHROOMS

We always think about how you may need to use our products, given both space constraints in bathrooms and design choices. We have a wide selection of mirrors in different shapes and sizes so there is bound to be something just right for your bathroom, no matter how big or small.

BATHROOM SAFETY

Tavistock mirrors have been tested for compliance with electrical equipment safety regulations. Our illuminated mirrors are IP44 rated and suitable for use within the bathroom.

CHOOSING THE RIGHT CABINET

If you're looking for additional storage, a mirrored cabinet can help to create a calm, clutter-free space. Tavistock has an extensive collection of cabinets with a host of useful features to choose from. Heated demister doors keep things steam-free and light temperature technology puts you in control of the illumination of your bathroom.

LIGHT TEMPERATURE CHANGING TECHNOLOGY

This lets you create the perfect bathroom environment by enabling you to adjust the warmth of your cabinet illumination to suit both the task in hand and time of day. Kick-start your day with bright, invigorating daylight. Then choose a natural light to apply make-up and a warm light for sleepy late evening tasks.

Light temperature ranges from 2700K (Warm White) to 6000K (Daylight White). You can also adjust the intensity of the light to be as bright or as dim as you wish.

STEAM FREE

Many of our cabinets feature heated demister doors to keep your cabinet steam-free. You'll really appreciate never having to wipe it down again! The heated demister pad heats the mirrored doors to a few degrees above room temperature within 2-3 minutes, preventing them from misting in even the steamiest of bathrooms.

COMPLETE HARMONY

Our cabinets are designed to work well with all basin units and are available in different sizes. Perfect for the way we live today many come loaded with features, such as re-charging and USB sockets to help keep your electric shaver, toothbrush and devices fully charged.

Cadence p32

PERFECTING THE AMBIENCE

Dimmable lighting has been added to a number of our cabinets to allow you to control the brightness of the light in your bathroom no matter what the time of day or night.

INTUITIVE TECHNOLOGY

Our Slide cabinets feature an intuitive touch slider switch which enables you to adjust both the warmth and brightness of the LED lighting. Simply slide your finger up and down the sensor to operate.

SOMETHING TO SUIT ALL BATHROOMS

At Tavistock we are mindful that bathrooms come in all shapes and sizes. That's why we have ensured our cabinets offer a selection of sizes to suit any bathroom, no matter how big or small.

RECESSED CABINETS

Recessing the cabinet within the wall or partition is a great way to conceal and store all of your bathroom accessories whilst maintaining a clean and clutter free bathroom.

CABINET PRODUCT GUIDE

SAFETY IN THE BATHROOM

Mirrors Technical Information

Tavistock illuminated mirrors have been designed and tested for compliance to electrical equipment (safety) regulations.

All electrical connections should be made according to the latest national wiring regulations. Illuminated mirrors are suitable for installation in the bathroom within outside zones unless stated. Mirrors which are IP44 water resistance rated are suitable for use in zones 2 and outside zones in the bathroom. Illuminated mirrors are not suitable for installation in saunas, steam rooms, shower cubicles or above a bath tub. Products are only suitable for permanent installation. Installation by a suitably qualified electrician is required.

Cabinets - Electrics

Our illuminated cabinets have been designed and independently tested for compliance to electrical equipment (safety) regulations. They are only suitable for use outside zones 1 & 2 according to the latest IEE regulations. All cabinets are class I insulated and require an earth connection.

Infrared Sensor

All mirrors or cabinets featuring infrared technology must ensure that the sensor is mounted a minimum of 150mm from an adjacent wall or obstruction to ensure correct function.

ZONE 1

Electrical fittings in this zone require separated extra low voltage and a minimum rating of IP44 (splash proof).

ZONE 2

Electrical fittings in this zone require a minimum rating of IP44 (splash-proof).

BATH PANEL & WC SEAT COLLECTION

BATH PANELS

Meridian Isocore

Milton Isocore

Meridian, Milton & Levant Isocore Panels

Isocore is a revolutionary 100% waterproof material which will not degrade with exposure to moisture.

Isocore is a lightweight material which is 30% lighter than MDF.

Isocore bath panels are easy to cut without the need to re-seal, and do not need to be fully sealed during installation.

USEFUL INFORMATION

GUARANTEES

Giving you complete peace of mind

At Tavistock we are extremely proud of our products and our confidence in their quality is such that we offer extended guarantees on many of them, including a 10 year guarantee on all furniture and taps plus a 20 year guarantee on all basins and WCs.

All products are guaranteed against defective workmanship or materials. Length of guarantee depends on the product type - please refer to relevant section of the brochure.

Damaged parts will be replaced with a spare part where possible, complete exchanges will only be made where it is not practical to do so. All dimensions are approximate and are quoted within reasonable tolerances.

SWATCH SAMPLES

The Tavistock Collection

Our free swatch sample service is designed to help you make the right finish choices for your home. If you would like a sample of any of our furniture then please visit our website and fill in the sample request form. Alternatively you will find displays of our furniture and colour samples of finishes and worktops at our specialist retailers across the UK and Ireland. QUALITY & SERVICE

Exceptional service is as integral to our business as outstanding product, design and manufacturing. We invest heavily in product improvement and reserve the right to amend specifications at any time if an opportunity to further improve the product occurs to ensure complete customer satisfaction.

The furniture colours shown in this brochure are representative only and can be affected by a multitude of factors such as lighting and surrounding items. If you are unsure we would recommend obtaining a swatch from our website or your local retailer and testing in the intended bathroom area

Tavistock furniture is designed for use within domestic installations which are adequately ventilated and is not suitable for installation in wet rooms. As with any timber product, bathroom furniture will be adversely affected if it is subjected to excessive moisture. It is strongly recommended that adequate bathroom extractor fans are installed to prevent heavy condensation and all splashes and spillages must be mopped dry as soon as possible. All exposed or cut surfaces must be sealed with a suitable varnish or silicone sealant to prevent blowing. If this is not done, all warranty claims will be void. In particular, silicone sealant must be used around basin and worktop joints and around all edges of bath panels and plinths. All electrical products should be installed by an approved electrician inline with current wiring regulations.

PRICING

All prices are quoted inclusive of VAT which will be charged at the rate applicable on the date of despatch. The prices charged will be those ruling at the date of despatch and Tavistock cannot be held responsible for any errors or omissions to products or prices.

All products and prices shown in this brochure are correct at the time of press.
