MODULAR ELECTRIC FIREPLACES

THE ULTIMATE CONCEPT IN FIREPLACE DESIGN

We have created a range of Modular Suites which are extremely adaptable, allowing your mind to run wild with design ideas. They can be made to suit any brand of electric fire as shown in this brochure.

With quick and easy installation on a flat wall, these suites will create a stunning feature in your home, all completed in one day.

WE HAVE THE EDGE

SEAMLESS JOINTS

We are taking these products to a new level of excellence by using our unique **seamless** jointing skills which are now available on both the marble bases and the external edges of the breast.

BASE OPTIONS

BASE ONLY

NO BASE

For this option, a wall hung bracket is required (see below)
(available on the Arizona, Montana & Nebraska suites)

BASE WITH LOG STORE

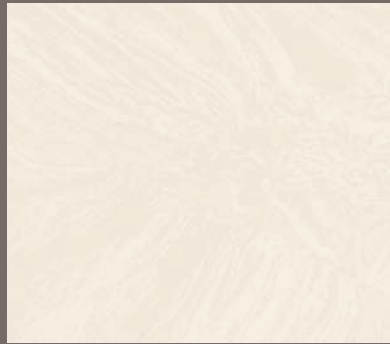

(available on the Arizona, Georgia, Louisiana,
Montana & Nebraska suites -
not supplied with logs - illustration purposes only)

Bracket available, please contact us for details
